DESCRIPTION

The 5-in-1 charger cable is a versatile and convenient solution for charging your devices. Its body is made of a combination of wheat Straw plastic and bamboo, which gives it a natural and sustainable look. This cable has multiple connections, including a USB and Type-C input, as well as Micro USB, Type-C and Lightning outputs. With this variety of connectors, you can charge devices with different charging ports, such as smartphones, tablets, headphones and other electronic devices. With the 5-in-1 charger cable, you can simplify your charging needs by having multiple connections on a single cable. Furthermore, its design with natural materials such as bamboo and wheat Straw plastic demonstrates your commitment to a greener lifestyle.
